

Terry *Lifestyle*® 

A lift to future proof your home

A LIFT FOR *Life*

Our stylish new Terry Lifestyle Lift has been designed by our team of experts to make your life easier.

Created specially for the home, its elegant and compact design means it will fit neatly into your house practically anywhere you choose and can be custom made to suit your existing décor.

The new Terry Lifestyle Lift will future proof your home so you don't have to worry about the emotional stress and upheaval of moving house if the stairs become too much.

easy DOES IT

Terry Lifts will look after everything...

- ✓ Minimal building work
- ✓ Quick & easy installation in only a few days
- ✓ Can be custom made to blend into your home
- ✓ Simple to operate

flooring

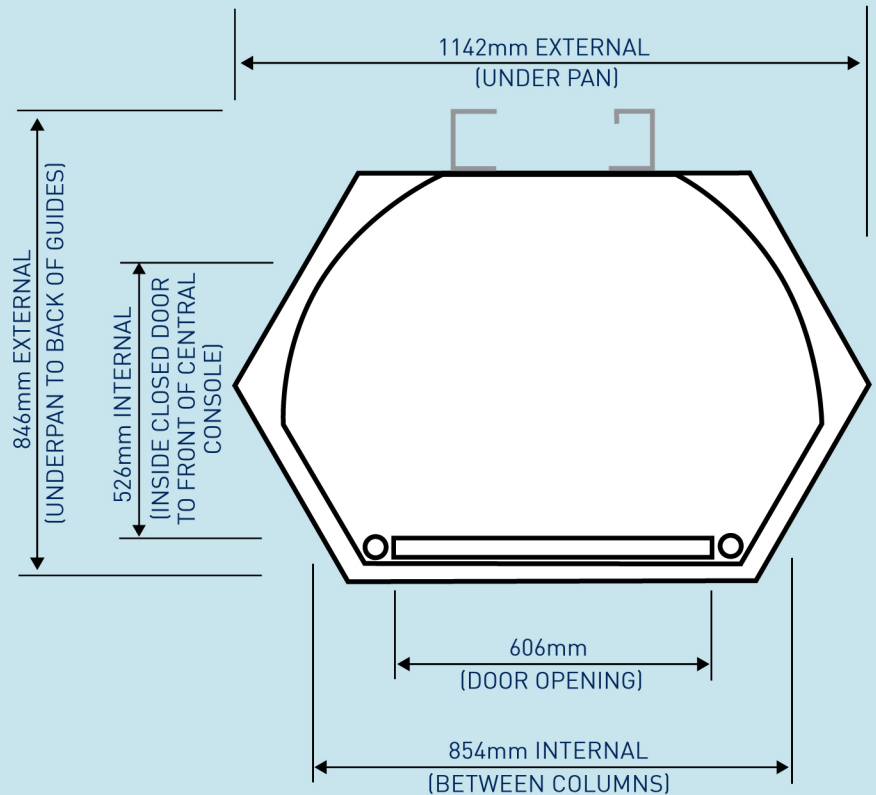

finishes

You can customise almost every aspect of your lift, from the colour of the paint, the flooring, the type of lighting and the type of glass. Here are some ideas of the combinations of finishes you could have:

	Paint & fabrics	Seat	Flooring	Call stations	Hand rail
standard finish	White interior & exterior with painted silver centre console	No	Charcoal carpet	White touch sensitive cabin and landing call stations	Straight stainless steel
LS1	White interior & exterior with silver upholstered centre console	No	Charcoal carpet or finish to be provided and fitted by others	White touch sensitive cabin and landing call stations	Full, curved stainless steel
LS2	White interior & exterior with silver upholstered centre console	Yes	Charcoal carpet or finish to be provided and fitted by others	White touch sensitive cabin controls with flush mounted stainless steel landing controls	Curved stainless steel opposite seat
LS3	White interior & exterior with sandstone upholstered centre console	Yes	Biscuit carpet or finish to be provided and fitted by others	White touch sensitive cabin controls with flush mounted stainless steel landing controls	Curved stainless steel opposite seat
LS4	Interior & exterior in RAL colour of your choice with silver or sandstone upholstered centre console	No	Choose from standard range or finish to be provided and fitted by others	Flush mounted stainless steel cabin and landing controls	Fully curved stainless steel

KEY *dimensions*

Slim and stylish, the Terry Lifestyle Lift has a small footprint and will fit discreetly almost anywhere in your home.

PEACE OF *mind*

At Terry Lifts we have combined luxury with the latest technology, making our new Lifestyle a top of the range lift of the highest quality.

Safety First

Your safety is our primary concern. It is important that you feel safe and secure when you are using your Lifestyle Lift.

- ✓ Fire protection between the upper and lower floors, whether the lift is parked upstairs or downstairs, to the requirements of BS5900: 2012
- ✓ Pressure sensitive safety surfaces stop the lift if obstructed from above or below
- ✓ In the rare event of lift failure, Terry Lifts have incorporated an innovative, easy to use, manual emergency lowering device and door release
- ✓ Battery backup allows you to return to the ground floor in safety in the event of a power failure
- ✓ A load capacity of 250kg (39 stone)
- ✓ Certificated to EU Machinery Directive for a lift travel above 3 metres
- ✓ 2-year warranty including two service visits

Terry Lifts
